# HINOCARE PREVENTIVE MAINTENANCE

Controlling vehicle maintenance costs are a challenge that fleet managers and business owners are faced with everyday. HinoCare meets that challenge by locking in planned maintenance costs.

You're not only able to plan more accurately but can rest easy knowing that your vehicles are current with preventive service and delivering the most cost effective ownership available.

With Hino Insight it's never been easier to schedule your maintenance. Insight Case Management keeps track of your mileage and provides reminders when your vehicle needs a service. It can even facilitate scheduling your preventive service with a knowledgeable Hino service technician and keeps a record of your vehicle's service history.

## HINOCARE BENEFITS:

**KNOWN COST:** HinoCare locks in your preventive maintenance at today's labor rate and parts cost. It is easier to plan your business when you know what your operational costs are going to be.

**FINANCE OPTION:** Through Toyota Commercial Finance or Hitachi Capital America, you can finance your HinoCare plan right along with your vehicle financing.

**VALUE:** Receive preventive maintenance records to maximize vehicle resale value.
